

# SPECIFICATION GALAXY PANELS

MODULAR WALL SURFACING

PROJECT	DATE
TYPE	QTY

## GALAXY PANEL PATTERN 5A - MEZANINE APPLICATION

## GALAXY PANEL PATTERN 1B - MOONSCAPE APPLICATION

## DESCRIPTION:

Impact Lighting's GALAXY PANELS are designed as wall surfacing system that work in multiples to create a continuous, sculptural lit wall. Galaxy Panels interlock ensuring panel-to-panel alignment. Repeating panels accommodate all size walls and can be trimmed on-site for a custom fit. Panel sizes range from 2 feet to 8 feet with custom sizes available.

## FEATURES:

- Standard and custom panel designs
- Durable and lightweight expanded PVC foam board
- Variety of LED colors available
- Dimmable (optional)
- Color changing modes (optional)
- Works with stand alone controllers and power supplies (*Optional controllers and power supplies available*)
- Standard drywall hardware included
