

RGB/RGBW LED WALL WASH FIXTURE

IL-SlimPro-RGB/RGBW Wall Washer

DESCRIPTION:

The Slim Pro is an easy to install low voltage 24 VDC wall washer perfect for illuminating large outdoor areas. This fixture can withstand harsh weather conditions with an IP66 rating.

Easy to install male and female connectors.

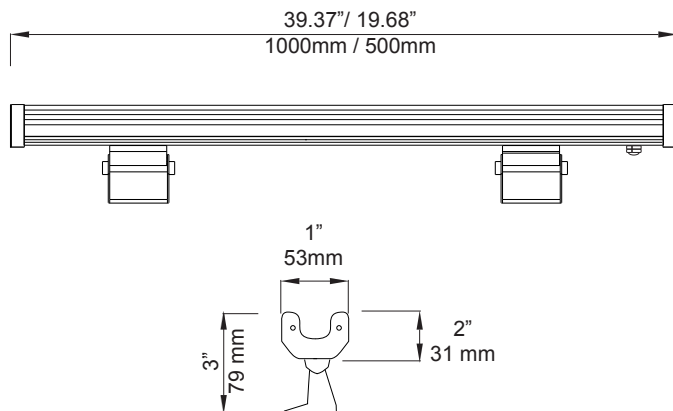

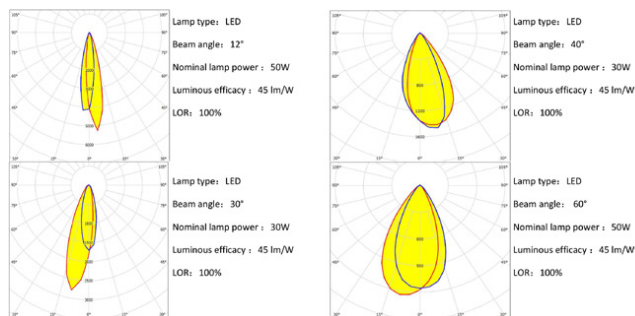

Thick tempered glass and aluminum plating makes for good focus and smooth lighting.

(SLIM PRO is RGB and RGBW without DMX control)
